## Payment Plan Options

Families can select from a one-payment option, two-payment option, or monthly payment option. Families that select the monthly payment plan (12 payments) will incur a payment plan fee of \$55. Payments can be made by ACH Direct Debit, Credit Card, or Debit Card.

## Actual Student Costs

To keep tuition affordable and accessible, we intentionally price our tuition and fees lower than our schools' actual costs. ## Homeschool Partnership Program Introduction

Our school was founded in 1973 on the premise that effective and Biblical education *must* be a partnership between the family and the church. The institutions of family and church are paramount to raising children up to know and love the Lord. We seek to partner with these two institutions. Our Homeschool Partnership Program exists to serve families that have chosen to teach their children through a homeschool model of education. In addition to a variety of academic options, we have several opportunities for children to learn and grow through sports participation.

## Homeschool Partnership Payment Guidelines

Our full-time students have priority in the financial scholarship process. As such, scholarships are generally not available for students who are enrolling in our Homeschool Partnership Program. Homeschool Partnership families have the option of paying for the cost of their tuition in one up-front payment or split into two payments (August & January).
