Payment Plan Options

Waterloo Christian School partners with a reputable third-party payment processor (FACTS) to offer several payment options. Families can select from a one-payment option, two-payment option, or monthly payment option. Families that select the monthly payment plan (12-payments) will incur a total payment plan fee of \$50. Payments can be made by ACH Direct Debit, Credit Card, or Debit Card.

Actual Student Costs

To keep tuition affordable and accessible, we intentionally price our tuition and fees lower than our schools' actual costs. The *actual cost* for one student to attend Waterloo Christian School is approximately \$7,800. We rely on the generous financial support of many different individuals and organizations to bridge this annual income gap and to continue providing excellent and affordable Christ-centered education in the Cedar Valley.

Waterloo Christian Tuition & Fees (Homeschool Partnership)

Grades K-12 (2022-2023)

Homeschool Partnership Program Introduction

Our school was founded in 1973 on the premise that effective and Biblical education *must* be a partnership between the family and the church. The institutions of family and church are paramount to raising children up to know and love the Lord. We seek to partner with these two institutions. Our Homeschool Partnership Program exists to serve families that have chosen to teach their children through a homeschool model of education. In addition to a variety of academic options, we have several opportunities for children to learn and grow through sports participation.

We have several opportunities for homeschool students to connect with an organized athletic program. *The below fees apply to Sports-Only and Homeschool Partnership Students. Full-Time student cost of participation is covered by standard student fees.*

Homeschool Partnership Payment Guidelines

Our full-time students have priority in the financial scholarship process. As such, scholarships are generally not available for students who are enrolling in our Homeschool Partnership Program. Homeschool Partnership families have the option of paying for the cost of their tuition in one up-front payment or split into two payments (August & January).
